

Michigan Forage Council Membership

MFC memberships run on a calendar year basis.

Benefits of membership in MFC include:

- Power to have your voice heard in setting local and national forage research and extension priorities and legislation
- Subscription to **Michigan Hay and Grazier** newsletter containing the latest forage news for Michigan
- Reduced registration fees for MFC-sponsored educational events like farm tours, pasture walks, meetings, and conferences
- Affiliate membership in MFC's parent organization, the [American Forage and Grassland Council](#), which includes:
 - Subscription to email updates from AFGC
 - Subscription to the industry magazine *Progressive Forage*
 - Subscription to the industry magazine *Hay & Forage Grower*
 - Access to members-only section of the **AFGC website**, where you can find a membership directory, written and video Conference Proceedings, and other useful resources
 - Reduced registration fees for AFGC events like national conferences and tours
